

Term 1 2016

Newsletter

Woodbridge Primary School

Dear Parents,

We, the Grade 2 Educators would like to take this opportunity to welcome you to Grade 2.

I am sure our association will be a happy one.

For term 1 we ask that you support your child at home with homework, extra work sent home and by reading with your child daily.

Please take note of the dates below. It is important that your child is in school on these days as the Assessments go towards your child's report.

Please pack a healthy snack as well as a bottle of water for your child each day as many pupils come in after break complaining of headaches. They will be allowed to sip their water during class time, as we are aware that it does get quite warm during the day.

Please make every effort to have your child dressed neatly in their summer uniform with hair neatly brushed.

Make sure your child has the necessary stationery for the term as it helps to make the class day less disruptive if they have their own supplies for the day.

-
- All extra murals will be starting from Monday 18 January
